Artist's impression.

Centrally positioned within Peppercorn Hill estate, Eastside is a precinct that promises its residents affordable living options without compromising quality of life. It features two planned neighbourhood parks and will be linked by the walking paths and bike trails that connect the whole estate.

At Peppercorn Hill, we have planned amenities for all lifestyles and ages. The future promises shopping centres and a choice of schools, extensive linked paths and creekside reserves - all designed to make living at Peppercorn Hill a big step up from the ordinary.
